THE INTERGROUP BOUTIQUE

Would your intergroup like to sell program-related items at the convention?

We have made a small room on the lower lever, Brookfield, available for Region 6 Intergroups to offer items, if they choose.

These are the guidelines:

The convention is not responsible for any items or money in the boutique. Each intergroup is responsible for its items and how it collects funds.

Items that may not be sold in the Boutique:

- OA literature
- Bookmarks
- Clothes or other personal items
