

COORDINATOR'S REPORT

The opportunity to do this service is a true gift. I look forward to our fall Assembly. We now provide bi-lingual information to our French members, and it has been a most wonderful journey to get as much of our Assembly information as possible in both English and French. Service is what keeps OA alive and well, we need all of you to help us to do the business of the Region. It is important to bring back all the information learned at Assembly to your Intergroup. Helping your Intergroup members understand what Region 6 does and how important it is to OA as a whole. Encourage other Intergroup members to step up for service by letting your Intergroup know about the fellows you meet and the fun you have as it isn't all business.

Committee Assignments: Region 6 has 7 committees to do the work of the Region. When you register for the Assembly, you are asked to choose 3 committees in order of preference. We try to take everyone's first choice into consideration when the committees are assigned. It is wonderful to hold our committee meetings in person, sharing ideas getting a greater understanding of the committee and how to work together. We are looking forward to all the ideas that come out of our fall assembly committees.

The chart above shows the shift over the past six months.

In February 2024, the meeting count was 696; as of July 2024, the meeting count is now 664; this represents a decrease of 4.60%.

Spring Assembly 2022 we had 812 meetings listed with Region 6, Fall Assembly 2024 we now have 664 this is a decrease of 18.23%. This shows that our meetings are being updated with World Service. Updating our meetings after the pandemic was very important, many meetings did not reopen and newcomers or returning members were having trouble finding meetings. Thank you all for a job well done.

We are still asking all Intergroups and meetings to continue to update their status by closing meetings if they are no longer active and registering new meetings. This will enable the Region and WSO to get an accurate count of our meetings.

Please remember our primary purpose:

To carry the message to the still suffering compulsive eater.

Thank you all for your service.
