News from the Assembly – Stacey, Resources: Need a Speaker? Sign up to Speak? – Karen, News from the oaregion6 website Event Calendar: How to get Region 6 intergroup to post their events on the Reg 6 calendar – Meg
2. Everything in Messenger should have a link
3. One idea was to ask the intergroups if they want to link their newsletter to the Messenger and visa-versa
4. There was much discussion around the timing of the Messenger. The group decided it should go out quarterly, months to be determined.
5. There was also an idea that there could be a topic to write on in the Messenger and that people could post words on the topic into a word cloud for the next Messenger.
6. There were questions about the website and people on the committee to help with the side and/or the Messenger.
